

FLORIDA

Changes

- ▶ Florida's score stayed at 169 points.
- ▶ Its ranking remained at No. 7 (out of 45).

Recommendations

- ▶ Florida's law does not have a cap on public charter school growth, provides a fair amount of autonomy and accountability, and provides a robust appellate process for charter school applicants. It has also made notable strides in recent years to provide more equitable funding to charter public schools—although some work remains to be done.
- ▶ Potential areas for improvement include continuing to strengthen equitable funding, creating authorizer accountability requirements, and strengthening accountability for full-time virtual charter schools.
