

GEORGIA

Changes

- ▶ Georgia's score stayed at 158 points.
- ▶ Its ranking remained at No. 16 (out of 45).

Recommendations

- ▶ Georgia's law does not cap public charter school growth, provides multiple authorizers to charter school applicants, and provides adequate autonomy and accountability. It has also made notable strides in recent years to provide more equitable funding to charter public schools—although some work remains to be done.
- ▶ Potential areas for improvement include continuing to strengthen equitable funding, ensuring transparency regarding educational service providers, allowing multi-school charter contracts and/or multi-charter school contract boards, and strengthening accountability for full-time virtual charter schools.
